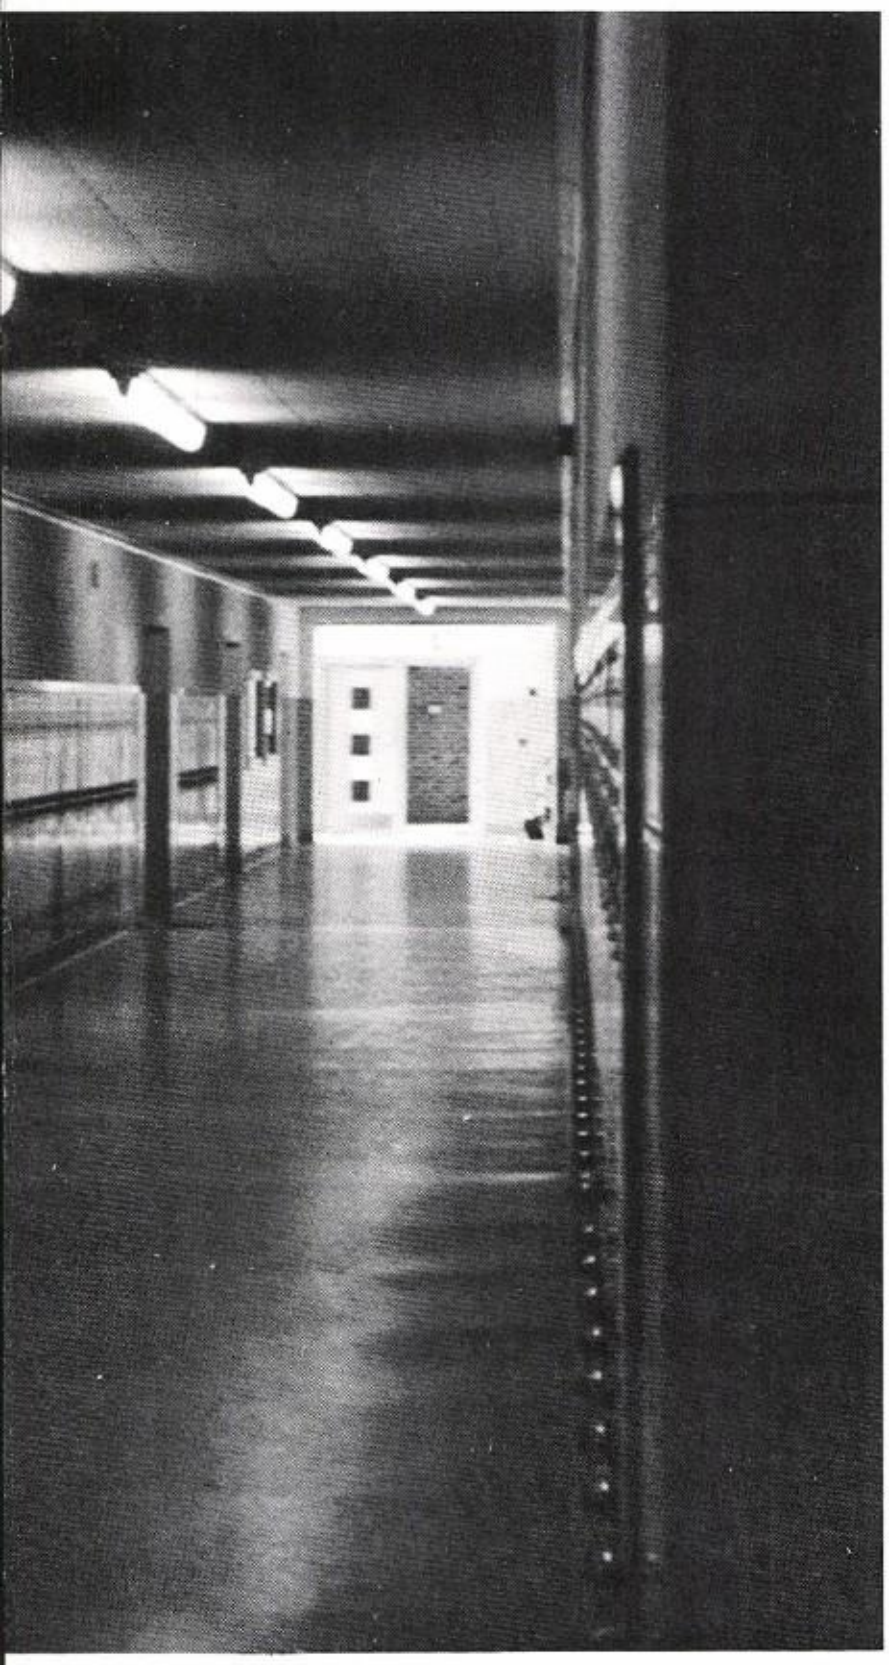
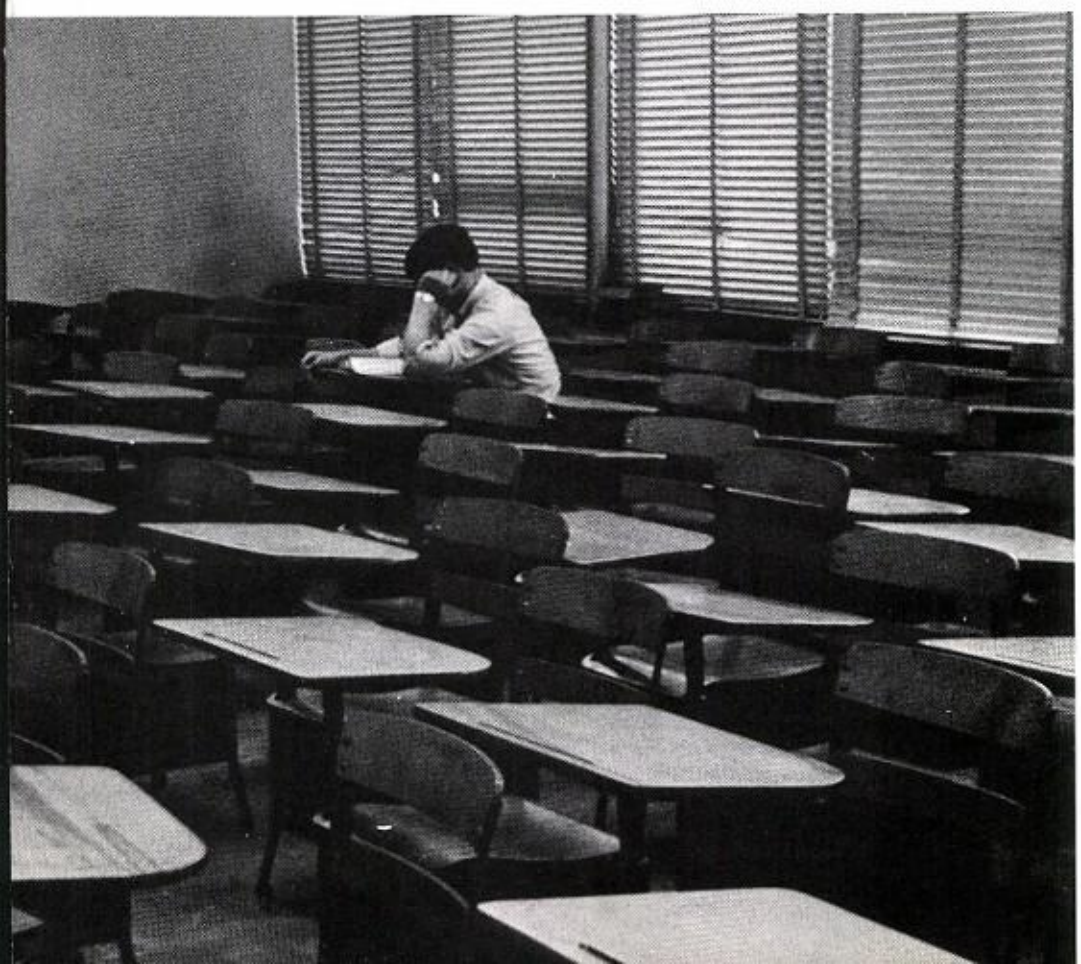
1968 SANDSTONER

POTSDAM CENTRAL HIGH SCHOOL

POTSDAM, NEW YORK

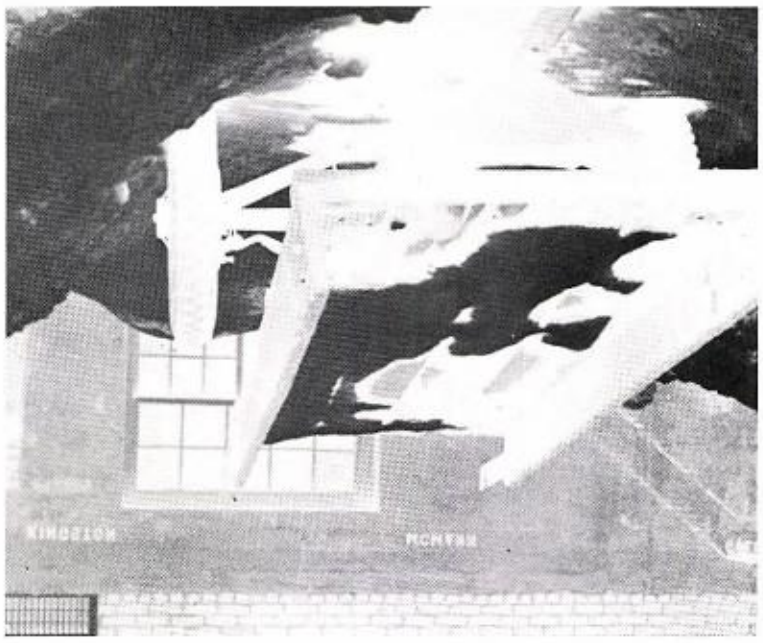


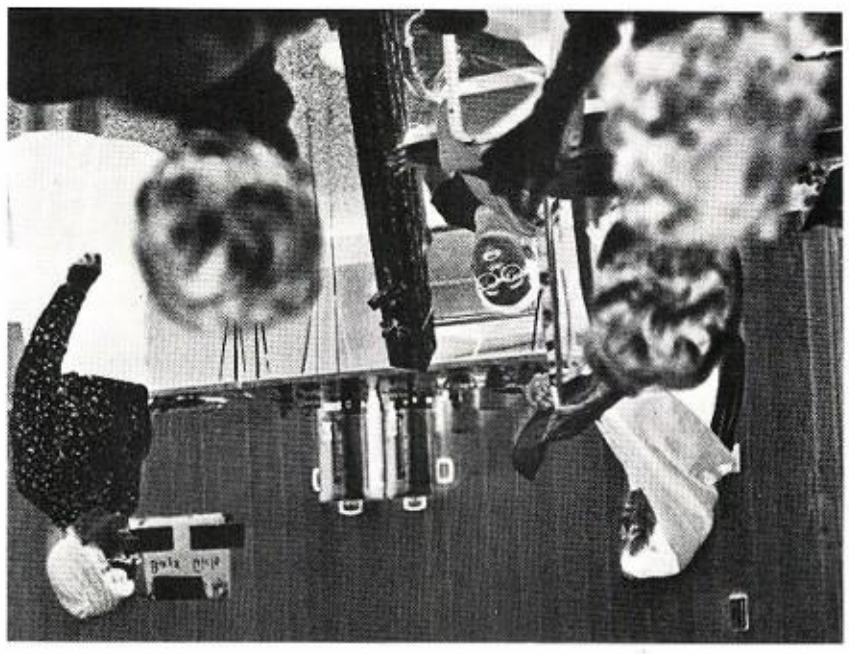


Impressions . . .

As each of us leaves PCS, we will take with us small parts of the school and the people we have met here. Impressions of these four years have mingled, clashed, and finally combined to form the ideals and opinions that will shape our futures. Looking back, we remember the little things: the smile of a teacher, or a shaky hand signing a membership book, the smell of hot dogs and popcorn on Saturday, or the feeling of exhilaration after a win, the boy or girl who sits in front of us, or the stir created by a passing Senior.

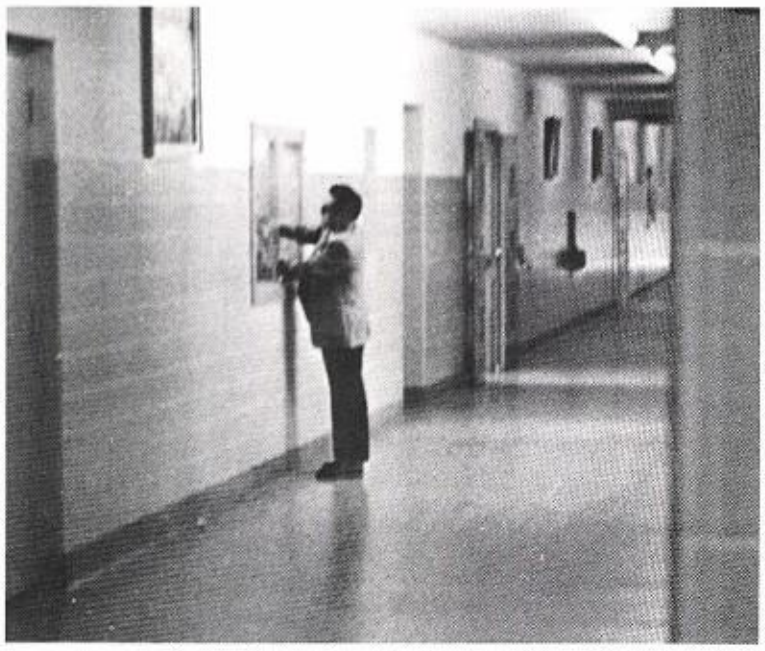
We have looked and watched and listened. With these thoughts in mind, the 1968 Sandstoner wishes to create a lasting impression.

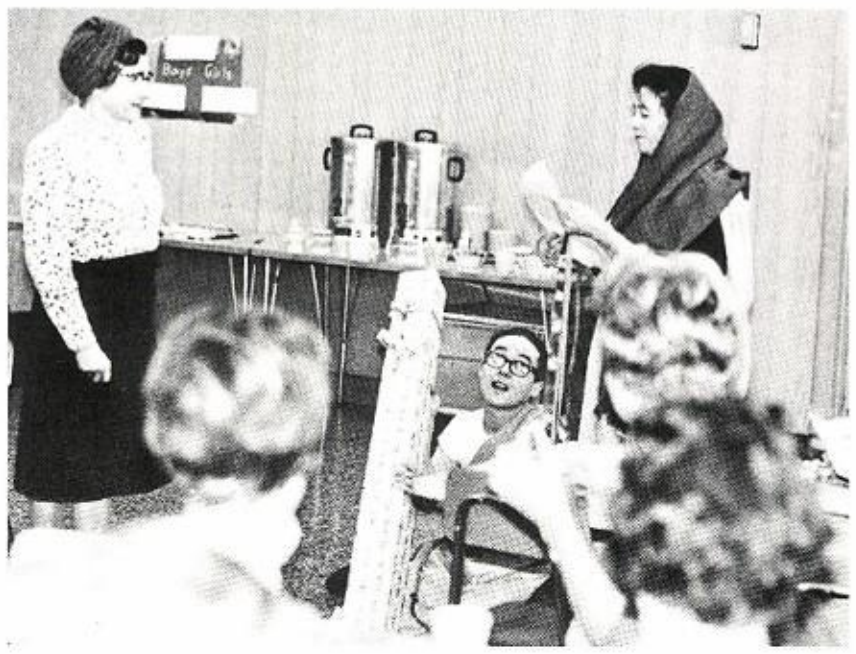


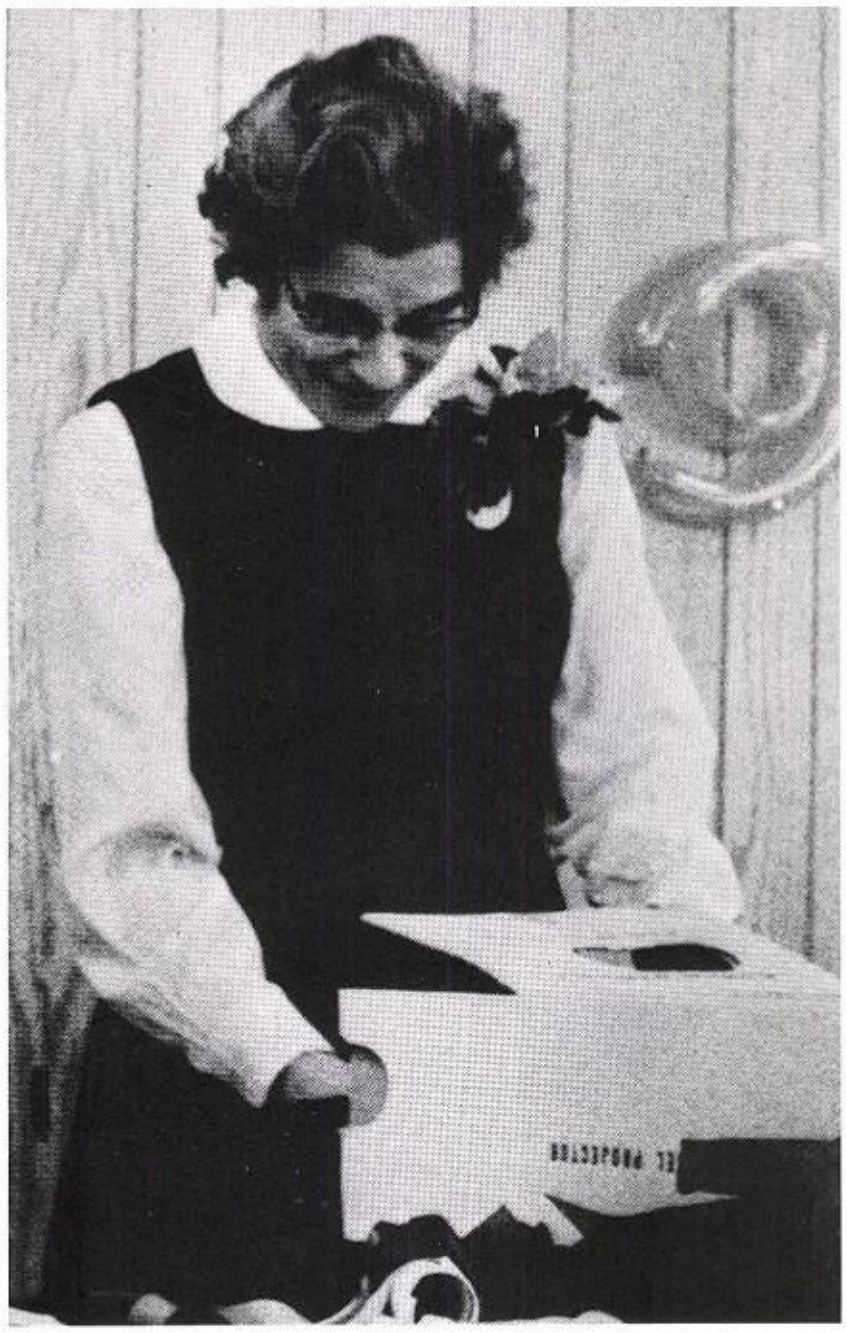


Administration & Faculty

Administration & Faculty







Mrs. Stevenson,

Most of us have passed through your room in these four years as students, or simply as friends. We will not forget what we have learned in passing. In your realization that students are fallible, you made a seemingly dead language easier for us. Long after school, you were there with an assuring smile that inspired confidence. In assigning the Alma Mater and actively supporting our school teams, you helped to keep alive a school spirit that has died in many schools through indifference. By taking part in the Senior Jamboree and faculty skits, acting as class advisor, and helping whenever needed, you narrowed the gap between teachers and students.

You did not go unnoticed, for the honesty, humility, and dedication that you exemplified are rarely left unnoticed. For the impressions of greatness that you left on each of us, We, the Class of 1968, dedicate to you, Mrs. Stevenson, the activities, the achievements, the memories, for which these pages stand.

SHIGERU OMI

PAMELA WHITE

Shigeru Omi, our exchange student from Tokyo, stayed for the school year with the Lester Gulick family. He is a member of our baseball and cross country teams and has spoken before many club meetings. At Komaba High School, he is president of the student council and participates in baseball and his favorite sport, Kendo, a form of Japanese fencing. After returning home, he hopes to attend the University of Tokyo to study law.

Pamela White spent the summer in northern Italy with the Rambaldo Zucalli family. She resided at their villa in the city of Gorizia and later at the family's apartment in Falcade, a resort in the Dolomite Mountains. Extensively touring eastern Europe, she visited Rotterdam, Dusseldorf, northern Yugoslavia, Zurich, Paris, Venice, Trieste, Turin, and Milan.

KAY MERO, ELIANA VIZCARDO. *Absent:* CHARLOTTE NORTON.

IFS

Lively and smiling, Eliana Vizcardo came to us for the school year from Lima, Peru. She spent the first half of the year with the Charles Norton family and the second half with the Robert Mero family. She is an active member of ski club, intramurals, bowling, and girls' chorus. After returning home, she hopes to study public relations at the University of Peru.

Kaye Mero was our exchange student to Santiago, Chile, where she attended an academy of music and took Spanish guitar lessons. The highlights of her trip were visiting Quitaro, an ocean resort, and Vera del Mar, Chile's largest seaport.

Charlotte Norton spent the summer in Bogatá, the capital of Columbia, with two families: the Oteros and the Perezs. She traveled extensively along the Caribbean sea coast, and visited Santa Marta, the historical site of Bolivar's burial place.

Football

The Stoners' Varsity Football team left mixed impressions this season. Although finishing poorly, they began with a promising spirit and a desire to win that aroused the enthusiasm of the school and the town. The combination of a rugged defense with a quick offense gave Massena a real fight for the victory.

Although starting slow, the Potsdam icemen showed marked improvement under the dynamic leadership of their new coach, Mr. Eagen. The hockey team was united in new spirit and desire to win, not by chance, but by ability. The high scoring of J. Morgan and J. Covell and the incredible R. Berger in the net helped to spur the team on to second place in the Lake Placid Tournament and third place in the league.

Wrestling

The tough Potsdam wrestling grapplers ended their season with a 5-6-1 record, taking fourth place in the Northern League. Despite lack of school support, these varsity matmen showed three individual third place performances by D. Saber, M. Collins, and D. Thomas and took an overall fourth place in the Section 10 Tournament.

Baseball

In final playoffs, the Orange and Blue managed to tie Canton for second place. Although 7 of the 9 starters were underclassmen, they established a good record and lost none of their home games. After fighting to the top with a 6-2 record, they lost games by small margins like the 3-2 game with Canton (seventh inning). John LaBrake and Mike Murphy were chosen Most Valuable Players.

Track & Field

Our outstanding Track and Field team built the distinguished record of 37 dual meets without a loss. Coached by Ted Stratford and Frank Schabel, these Stoners rewrote the records. The mile sprint medley team of M. Gerrish, R. Cascanette, J. Romola, and E. Cunnings broke school, Van Deusen, and Intersectional records. P. Murphy, B. Hayman, E. Cunnings, and R. LaDuke also established new school marks. Hard work won for them the Van Deusen Championship for the third successive year, and Northern League Championship for the fourth successive year. For his superior ability in pole vaulting, relay, and hurdles, B. Hayman was chosen Most Valuable Player.
